

# RIVERSIDE BATCH OF 2017

Where are our students going and what are they doing?

This past year, 19 of our graduates went on to some of the best universities in the world across 5 different countries; and are pursuing their dreams from a range of different subjects and majors

## WHAT ARE THEY DOING?

Students have got into colleges such as the prestigious University College London, Kings College and University of Otago

With 68% of our graduates in India, we break the myth that "you can't go to Indian Colleges after CIE"

**39**

PERCENT

of our students go into their first choice of colleges, these are their aspirational universities and some of the best in the world.

**50**

PERCENT

of our students got into their 'Best Fit' colleges.

**32**

PERCENT

of our students got into colleges that were ranked in the top 10 in their respective field!
